ACKNOWLEDGEMENT

Contribution and support from many people helped the researcher in the completion of this research. The researcher would like to take this opportunity to express appreciation to them.

First of all, I would like to express my sincere gratitude to my advisor Dr. Kannapa Pongponrat, for her guidance, valuable comments and suggestions and continuous encouragement throughout this study.

My deepest thanks to Dr.Srisuda Chongsitthipol who always took care and gave useful advice to improve this research. Special thanks to English Support advisers Donald and Shylah, for their kindness in proofing the grammar and providing suggestions for improvement.

My sincere appreciation is given to the visitors of Dusit Zoo for their kindness and cooperation in providing me with useful information to make this study successful.

Many thanks also to my beloved friends, for their great support and encouragement since the first day I met them and especially while conducting this study.

Most significantly, I am eternally indebted to my dear family to give me the great chance to continue my study in Master's degree, as well as their unlimited kindness and support since the first day I took this course and until now.
