ACKNOWLEDGEMENT

The completion of this independent study would not be materialized without the people who assisted us in many ways. Therefore, we have the pleasant duty to acknowledge the persons who have provided us with a great deal of contribution and support. We would like to take this opportunity to express our appreciation to them.

Firstly, we would like to express our deep gratitude to our independent study advisor, Assistant Professor Kitjar Kumhaeng for his guidance, advice, and his valuable comment. We were fortunate to have a chance to work with him.

Secondly, we would like to thank our friends at Naresuan University who willingly extended great help to us. Whole heart thankful appreciation is given to our families for their patience, understanding, support, and especially their love.

Finally, we would like to thank our specialists; Dr. Thavesak Khunyot, Mr. Arthur Ian Simpson, and Mr. Sutipong Pisitsenakul who are very generous to review our data analysis. Moreover, we would also like to thank other people, who inspired us whose names are not mentioned in this acknowledgement.
