ACKNOWLEDGEMENT

Contribution and support from numerous individuals helped us in completion of this research. We would like to take this opportunity to express our appreciation to them.

First, we would like to express our deep appreciation and sincere gratitude to Asst. Prof. Dr. Payung Cedar, our independent study advisor, for providing beneficial advice even during the busy time, for her kindness throughout our study, and for having faith in us. Her valuable comments, insightful guidance and encouragement will always be appreciated. Our heart-felt thanks go to Assoc.Prof. Dr.Kriengsukdi Syananondh, Asst.Prof.Kaewta Saleepote, Dr.Sudsuang Yutdhana, all experts for their helpful, useful, valuable suggestions.

We are grateful to all English students at Pichit Inter School for their kind participation in collecting data. The fulfillment of this study would have never been possible without their cooperation.

We are also indebted to Ms.Suwimol Jaiyot and Mr.Krit Amarit for helping hand to our study. Many thanks go to my classmates for their information and encouragement.

Wholehearted thankful appreciation is given to our family for their patience, understanding, support, and especially, their unconditional love.

Finally, we would like to thank others whose names are not listed here for their mental support.
