ACKNOWLEDGEMENT

Contribution and support from numerous individuals helped me in completion of this research. It is my pleasant duty to take this opportunity to express my appreciation to them.

First, I would like to express my deep appreciation and sincere gratitude to Dr. Payung Cedar, my independent study advisor, for providing beneficial advice even during the busy time, for her kindness throughout my study, and for having faith in me. Her valuable comments, insightful guidance and encouragement will always be appreciated. My heart-felt thanks go to Associate Professor Dr. Talerngsok Somthip, my commentator, and all experts for their helpful, useful, valuable suggestions.

I am grateful to all English majored students at Naresuan University for their kind participation in collecting data. The fulfillment of this study would have never been possible without their cooperation.

I am also indebted to Dr. Tamrongrak U-nakarin and Mrs. Idharom Misuvan Singhra for helping hand throughout my study. Many thanks go to all my classmates for their information and encouragement.

Wholehearted thankful appreciation is given to my family for their patience, understanding, support, and especially, their unconditional love.

Finally, I would like to thank others whose names are not listed here for their mental support.
