ACKNOWLEDGEMENT

Contribution and support from many people helped me in completion of this research. I would like to take this opportunity to express my appreciation to them.

First, I would like to express my deep appreciation and gratitude to my thesis advisor, Assistant Professor Dr. Payung Cedar and committee members: Dr. Saovapak Kallayanamit, Dr. Tamronglak U - Nakarin, Associate Professor Maliwan Phakpraphai, and Assistant Professor Dr. Dutsadee Rungrattanakul for providing beneficial advice even during busy times. In addition, special thanks to Dr. Taweesak Kunyot for being my external thesis committee and providing beneficial comments.

I am grateful to Mr. Joshua David Cohoon, an English teacher in Sa School, Miss Jessica Jones, an AFS student from the United States of America in Sa School, and five English teachers in Nan Province, for verifying my research instrument. Furthermore, special thanks for the great cooperation of Sa School and Tan Chum students.

Wholehearted thankful appreciation is given to my family for their support and love.

Finally, I would also like to thank the others, who inspired me but are not named in this acknowledgement.
