ACKNOWLEDGEMENT

I am greatly indebted to Professor Dr. Vichian Laohakosol, my thesis advisor, for his patience and willingness to sacrifice his time to suggest and advise me in preparing and writing this thesis. I would like to express my deep appreciation to Associate Professor Wiwat Wanicharpichat and Assistant Professor Dr. Pattira Ruengsinsub, my thesis committee, for their kindness and helpful suggestions. Sincere thanks and profound appreciation are also extended to Assistant Professor Dr. Nittiya Pabhapote, Assistant Professor Dr. Manoj Siripitukdet and Dr. Tuangrat Chaichana, for taking time to read this thesis and giving me their useful comments. I would also like to thank my teachers and colleagues at Naresuan University for their encouragement and valuable help throughout my graduate studies. Unforgettably, everyone who were with me at Kasetsart University. They made me full of happiness and friendship.

In particular, I would like to express my highest gratitude to my family for their unconditional love and endless support.
