ACKNOWLEDGEMENTS

The completion of this thesis is the concern of numerous individuals. It is my pleasant duty to acknowledge them who have provided me with a great deal of contribution as well as assistance during my study.

Firstly, I would like to express my deep gratitude to my thesis advisor, Assoc. Prof. Dr. Kriengsukdi Syananondh. His valuable comments, guidance and encouragement will always be greatly appreciated.

My grateful acknowledgement is extended to my thesis committee: Dr. Watana Padgate, Dr. Tamronglak U-Nakarin and Asst. Prof. Saijai Changchat for providing beneficial advice and useful suggestions during my oral defense.

I am very grateful to Asst. Prof. Tiemchan Phanichphalinchai and Mr. Phanomsit Sornprachak for their advice about the statistics.

Next, I'd like to thank many experts who offered their constructive comments on the questionnaires, and Mr. Nukul Bumroongthai for his assistance in the distribution of the questionnaires.

I am also indebted to all of M.B.A. students and lecturers who taught in the M.B.A. program for responding to my questionnaires. The fulfillment of this study would have never been possible without their cooperation.

Special thanks go to my classmates for their assistance and continual moral support.

Finally, I would like to express my particular appreciation to my parents and all people in my family for their loving support and encouragement.
