## ACKNOWLEDGMENTS

I wish to acknowledge the contribution of the many individuals who have played a role in the completion of my master studies. In particular, I would like to express my appreciation for the role played by my advisor, Assoc. Prof. Dr. Kriengsukdi Syananondh, kindly guiding and providing valuable advice in the writing of this thesis. In addition, I would like to thank Dr. Mary Sarawit and Asst. Prof. Sriwai Wannaprasert for their helpful suggestions, continual encouragement and support.

I am grateful to Asst. Prof. Sittichai Harnsombat, Dr. Khaisri Surasin, Dr. Tippawan Prasertpun, Dr. Wut Buawhaem, and Dr. Nittaya Suwannasri for offering me constructive and helpful comments on the questionnaires.

Grateful acknowledge is extended to the fourth year English major students at the United Rajabhat Institutes of Buddha Chinnaraj: Phitsanulok, Kamphaeng Phet, Phetchabun, and Nakhon Sawan in answering the questionnaires. I would also like to acknowledge the contribution of the staff of the English departments at the United Rajabhat Institutes of Buddha Chinnaraj who have greatly facilitated my contact with informants in this study and assisted in the data collection.

Sincere thanks are also due to my five Master Degree friends: Mrs. Daranee Theeranaew, Mr. Somkiat Somkul, Ms. Saijai Nipitkul, Mrs. Malaisawan Soonkettat and Ms. Wongjan Poonperm who offered

helpful comments and moral support.

Finally, the researcher offers a word of personal gratitude to her mother for her patience, understanding, material and moral support.
