Chapter	Page
1 INTRODUCTION.....	1
Rationale of the Study	1
Purpose of the Study	3
Significance of the Study	3
Scopes of the Study	4
Limitation of the Study	4
Conceptual Framework and Hypothesis.....	5
2 LITERATURE REVIEW	7
Holidays and Festivals –Songkran Holidays.....	7
Tourist Behaviors	13
Influences made for festival experiences	13
Theory of Decision-making	21
Related research of this study	25
3 RESEARCH METHODOLOGY.....	27
Research design	27
Population and Sample	27
Research Instrument	28
Data Collection	30
Analysis of Data	31
4 RESULT.....	33
Section one: Result of Participant Observation	33
Section two: Result of online questionnaire survey	64
Section three: Result of in-depth interview	116

5 CONCLUSIONS.....	124
Findings	124
Discussion	126
Recommendation	133
REFERENCES.....	136
APPENDIX.....	147
BIOGRAPHY.....	182

LIST OF TABLES

Table	Page
1 Frequency and percentage of respondents in terms of demographics	65
2 Means, standard deviation and meaning of push factor	68
3 Means, standard deviation and meaning of pull factor	69
4 Frequency and percentage of respondents in terms of Thais behaviors	70
5 Traditional activities that Thais participated the most in 2012	72
6 Leisure activities that Thais participated the most in 2012	73
7 Independent t-test analysis of mean difference between birthplace and activities in Songkran that Thais decided to participate during Songkran holidays	74
8 Independent t-test analysis of mean difference between birthplace and each activity that Thais decided to participate during Songkran holidays	75
9 Independent t-test analysis of mean difference between work place and activities in Songkran that Thais decided to participate during Songkran holidays	77
10 Independent t-test analysis of mean difference between work place and each activity that Thais decided to participate during Songkran holidays	78
11 Independent t-test analysis of mean difference between gender and activities in Songkran that Thais decided to participate during Songkran holidays	80
12 Independent t-test analysis of mean difference between gender and each activity that Thais decided to participate during Songkran holidays	81

LIST OF TABLES (CONT.)

Table	Page
13 Independent t-test analysis of mean difference between age and activities in Songkran that Thais decided to participate during Songkran holidays	83
14 Independent t-test analysis of mean difference between age and each activity that Thais decided to participate during Songkran holidays	84
15 ANOVAs analysis of Mean difference between educational level and activities in Songkran that Thais decide to participate during Songkran holidays	86
16 ANOVAs analysis of Mean difference between educational level and each activity that Thais decide to participate during Songkran holidays	87
17 F-test analysis of mean difference between educational level and water splashing	92
18 F-test analysis of mean difference between educational level and entertaining activities	93
19 ANOVAs analysis of Mean difference between occupation and activities in Songkran that Thais decide to participate during Songkran holidays	94
20 ANOVAs analysis of Mean difference between occupation and each activity that Thais decide to participate during Songkran holidays	95
21 F-test analysis of mean difference between occupation and family reunion	100
22 F-test analysis of mean difference between occupation and bathing adults	101

LIST OF TABLES (CONT.)

Table	Page
23 F-test analysis of mean difference between occupation and dinner out	102
24 ANOVAs analysis of Mean difference between monthly income and activities in Songkran that Thais decide to participate during Songkran holidays	103
25 ANOVAs analysis of Mean difference between monthly income and each activity that Thais decide to participate during Songkran holidays	104
26 F-test analysis of mean difference of monthly income on family reunion	109
27 F-test analysis of mean difference of monthly income on travel abroad	110
28 Model Summary of linear regression analysis between push factors and activities in Songkran that Thais decide to participate during Songkran holidays	111
29 ANOVA table of linear regression analysis between push factors and activities in Songkran that Thais decide to participate during Songkran holidays	111
30 Correlations table of linear regression analysis between push factors and activities in Songkran that Thais decide to participate during Songkran holidays.....	112
31 The linear regression of the relationship between push factors and activities in Songkran that Thais decide to participate during Songkran holidays	113

LIST OF TABLES (CONT.)

Table	Page
32 Model Summary of linear regression analysis between pull factors and activities in Songkran that Thais decide to participate during Songkran holidays	114
33 ANOVA table of linear regression analysis between pull factors and activities in Songkran that Thais decide to participate during Songkran holidays.....	114
34 Correlations table of linear regression analysis between pull factors and activities in Songkran that Thais decide to participate during Songkran holidays	115
35 Summary of findings and discussion.....	131
36 Overall personal information of ten interviewees from in-depth interview.....	169

LIST OF FIGURES

Figures	Page
1 Conceptual framework.....	5
2 The Engel et al model	22
3 Mathieson and Wall model (1992)	23
4 Outdoor market in front of the temple	34
5 Location for dropping foods inside the temple	35
6 People brought basic requisites for monks	36
7 Donation boxes	37
8 Releasing freely birds	38
9 Lottery Stall	38
10 Bathing Buddha image	39
11 Listening to a sermon	40
12 Sand service from the temple	41
13 Bathing Buddha image rite	45
14 Paying homage to ancestor ceremony	45
15 Sand service area	46
16 Food and souvenir stalls sat around the area.....	47
17 Bringing basic requisites for monk and paying homage to ancestor ceremony	48
18 Bathing Pra Phuttha Sihing, one of the most famous Buddha image for Thai Buddhists	49
19 Songkran activities at Wat Suthat with temple fair theme	50
20 Food booths	50
21 Splashing water	51

LIST OF FIGURES (CONT.)

Figures	Page
22 Policemen in Khao San Road	52
23 Lots of stalls selling their stuffs alone both side of the street	53
24 Amount of the people attending water festival along the long Silom road	54
25 Big water splashing from the side of the road into the road	55
26 Lots of stalls on the footpath	56
27 Campaign of Songkran activities at Siam Paragon	57
28 Campaign of Songkran activities at Siam Square	58
29 People was watching concert at Siam Paragon	59
30 Carnival world	60
31 Entertainment world	60
32 Water world	61
33 Young people splashing water to each other for fun	62
34 Campaign of Songkran Festival at Central World	63
35 Photographs of traditional activities during Songkran holidays 2012	116
36 Photographs of leisure activities during Songkran holidays	119
