

BIOGRAPHY

Name-Surname Ekkachai Laysirikul
Date of Birth October 4, 1986
Place of Birth Sukhothai, Thailand
Education Background
2009 B.S. (Mathematics), Naresuan University

Publications

- Laysirikul, E. and Namnak, C. (2012). A note on the regularity for semigroups of self- E -preserving transformations. **Proceedings: 1st ASEAN Plus Three Graduate Research Congress**, ST-164-167.
- Laysirikul, E. and Namnak, C. (2012). Regularity conditions for semigroups of transformations that preserve double direction equivalence. **Proceedings of the AMM 2012**, 155-160.
- Laysirikul, E. and Namnak, C. (2012). A note on regularity for the full regressive transformations semigroups. **Proceedings of the AMM 2012**, 161-164.
- Namnak, C. and Laysirikul, E. (2012). Regularity and Green's relations for the full regressive transformation semigroups. **International Journal of Algebra**, 6(19), 919-925.
- Namnak, C. and Laysirikul, E. (2012). Remark on E -order-preserving transformation semigroups. **International Mathematical Forum**, 7(47), 2303-2307.
- Namnak, C. and Laysirikul, E. (2013). Natural partial order on a semi group of self- E -preserving transformations. **Scientific Research and Essays**, 8(1), 39-42.
- Namnak, C. and Laysirikul, E. (2013). Regularity for semigroups of transformations that preserve equivalence. **JP Journal of Algebra, Number Theory and Applications**, 28(1), 97-105.
- Namnak, C. and Laysirikul, E. (2013). Right regular and left regular elements of E -order-preserving transformation semigroups. **International Journal of Algebra**, 7(6), 289-296.
