ACKNOWLEDGEMENT

First and foremost I would like to express my sincerest gratitude to my advisor, Assistant Professor Dr. Kumrop Ratanasut, and my co-advisor, Assistant Professor Dr. Anupan Kongbangkerd. I greatly appreciated the useful comments, guidance, support, remark and encouragement through the learning process the length of the study.

I also would like to give special thanks to Assistant Professor Dr. Kullanart Obsuwan, Dr. Apinun Limmongkon and Assistant Professor Dr. Kawee Sujipuli for suggestions and all their helpful advices.

I would like to acknowledge the Graduate School, Naresuan University that provided the necessary financial support for this research.

Furthermore I want to give specially thank to my parents for their endless love and support. I would like to thank Mr. Chaiwat Monmai and my friends for their helps, friendship and encouragement throughout my study. Finally, I would like to express my gratitude to all others for all supports to make me a complete this master thesis but are not named in this acknowledgement.

Pornnapa Piluk
