ACKNOWLEDGEMENT

Contribution and support from many people helped me a lot in the completion of this research. I would like to take this opportunity to express my appreciation to them.

First, I would like to express my deep appreciation and gratitude to Dr. Anusorn Vorasingha and Assoc. Prof. Dr. Wattanapong Rakwichian. They are my thesis supervisor and the co-advisor providing beneficial advice even during the busy time and for their kindness throughout my study. Thank you for helpful suggestions and care from other professors and every body.

I am grateful to all staff in SERT for their help in collecting data and information during my study. Many thanks go to my classmates for everything.

Wholehearted thankful appreciation is given to my parents and my brothers for their love and financial support. They are always beside and help me in every thing.

Finally, I would also like to thank all the others who keep encouraging me but are not named in this acknowledgement.

Ratanan Boonmat
